

Bodega
Cinco Casas

SANTA ELENA RESERVA
(D.O. LA MANCHA)

Winemaking: Wine produced from Tempranillo grapes following controlled fermentation processes. The wine is aged for at least 12 months in American oak barrels.

Tasting notes: An elegant wine, cherry red in colour, with Bordeaux and brick colour hues. Red fruit compote and wooden aromas with a pleasant spicy touch and perceptible tobacco and vanilla notes. Elegant and velvety mouth-feel.

Serving advice: Best served at 14-16°C. We recommend serving with cured cheese, pate and meat stews.
