Winemaking: Produced from selected Chardonnay grapes. After a light crushing and cold maceration, it is decanted for 12 hours at 10°C to ultimately initiate the alcoholic fermentation at low temperature to obtain the maximum varietal aromas in the wine.

Tasting notes: Pale shimmery-yellow with subtle green hues. Glyceric and bright. Intense and fragrant. Fresh peachy fruit bouquet in good harmony with banana and balsamic hints. Voluminous, rich and refreshing on the palate. Good mouth-feel and weight with a long, persistent finish. A feast for the senses.

Serving advice: Best served at 6-8°C. It combines brilliantly with all types of fish and seafood such as Tuna, Turbot and Cod. It can also be served along with roasted poultry provided it is not too spicy.
